

## Diocesan Prayer 2024

Loving Father, as we join with Mothers' Union around the world praying for faith in action, we pray for all that we do in the Oxford Diocese. We pray for our Diocesan Projects, including the support given to Children Heard & Seen, Baby Basics and Ronald Macdonald House. We give thanks for campaigns against racial injustice, and for activism against gender-based violence. Bless and guide us through all the many opportunities you give us to be active in our parishes and communities, showing the love of the Lord Jesus.

We pray for our Branches and for Diocesan Members, for our Diocesan Trustees and for those who hold office in our branches.

Father be with us all as we work to truly reflect your glory in all that we do.

AMEN
