Our Vision:

- A world where God's love is shown through loving, respectful, and flourishing relationships.

Our Mission:

- To promote and support married life
- To encourage parents in their role to develop the faith of their children
- To maintain a worldwide fellowship of Christians united in prayer, worship and service
- To promote conditions in society favourable to stable family life and the protection of children
- To help those whose family life has met with adversity.

Support the work of the world's largest lay-led missionary organisation. By joining Mothers' Union, you are supporting work which goes on throughout the UK and in 84 countries across the globe.

Three ways to share your care

Branch Membership – join a parish-based group to meet together for regular fellowship, worship and opportunities to learn. Get involved and meet more members through projects and wider events in your deanery and diocese. Keep up to date with the Focus newsletter and other MU publications. Every branch is unique and organised in its own way.

Diocesan Membership – for those who have no local branch or, for whatever reason, prefer not to join one. Keep up to date with Focus (the diocesan newsletter) and other publications arranged by a dedicated contact, who sends invitations to local and diocesan events, too. Take part in projects that particularly interest you, locally or around the diocese, and even stand for office. Or simply use your membership as a way of supporting Mothers' Union.

Praying Fellowship - for those who want to support Mothers' Union but cannot get to meetings and other gatherings. Keep up to date with Focus and other communications through your personal correspondent. Join with other Praying Fellowship members to form a powerhouse of prayer for the society.

Joint Membership – for branch or Diocesan members where two people are living at the same address. There is a small cost saving.
