## Mothers' Union in Oxford Diocese

*A dynamic charity putting God's love into action;*

*1400 members in Berks, Bucks and Oxon;*

*Supporting all families.*

**The Government** frequently consults Mothers' Union on social policy issues, so we offer all members who have internet access the opportunity to respond to these consultations. All responses are sent to our Headquarters in London where they are collated and passed on to the Government.

**The grassroots have their say.**

Since 1876, Mothers' Union has shared God's love for the world by encouraging, strengthening and supporting marriage and family life in all its variety.

Over 4 million members in 83 countries means that the Mothers' Union is the largest lay-led Christian organisation in the world.

We provide holidays for people who cannot afford one; toiletries for emergency hospital admissions; Christmas cards to show prisoners the world has not given up on them; parenting support; recipe cards for food banks; help for students; activity quilts for people with dementia and much more.

**Worldwide:** We raise funds for Literacy and Financial Education, worldwide programmes (including parenting programmes) as well as the Emergency Relief Fund and the Overseas Development Fund.

We are equally committed to social policy campaigns:

We launched **Bye Buy Childhood**, which challenges the commercialisation of childhood in modern society;

Every year we take part in the **16 Days of Activism** which is a global campaign against gender-based violence

Our **Flexible Families** campaign has facilitated the right to request flexible working hours.
