

MODERN DAY SLAVERY AWARENESS CAMPAIGN
KNITTED CHAIN PATTERN

Please use either two strands of double knit wool or single strands of chunky wool to make the chain.

Use size 8 (metric 4mm) needles and cast on 35 stitches.

Begin with a purl row and knit 6 rows of stocking stitch (knit one row then purl one row).

Cast off purlwise (or if you don't want to do that then do an extra row of purl and cast off knitwise.)

The result will be a tube as it will curl up by itself so you don't need to sew the length, just sew the ends together to form a ring. Then add the next ring through the first before you sew the ends together.
